<b>PIPs</b>	Before: below state average After: above state average and rising

2013 results after Get Reading Right's implementation

**“Our Year Ones and Twos significantly improved in both their spelling and reading, as shown in their end of year standardised test results. Our teachers have found the program extremely practical and successful and are excited to continue using it in 2014...”**

**The students enjoy the hands-on activities and have so much more confidence in their literacy learning!...**

**One teacher commented that she couldn't wait to see even bigger gains with the children who will then be in their second year of Get Reading Right teaching.”**
