

TEACHER TO TEACHER

INSPIRING

STRAIGHT-TALKING

PRACTICAL

Synthetic phonics has proven to be the fastest and most efficient way to teach early reading and spelling. Leading schools right across Australia are seeing their NAPLAN literacy results rocket - due to one simple change - synthetic phonics.

In this series of free webinars our team of literacy consultants take you through synthetic phonics; how to get going, best practice and what really works in your classroom - teacher to teacher.

Ready to Roll with Synthetic Phonics - Katherine Wood

Katherine Wood's top tips for starting a synthetic phonics program. What is synthetic phonics and what it should look like in your school.

7pm: Wednesday 7th May 2014

- How synthetic phonics has your Kindy/Prep students surpassing the Year 1 National Curriculum standards
• The synthetic phonics scope and sequence explained
• The plan to catch-up the older years, quickly
• How to create a culture where zero reading failure is the goal
• Get parents on board and supporting your classroom work

Synthetic Phonics Terminology Explained! - Jo-Anne Dooner

Just like maths or science, synthetic phonics has its own jargon and specific terminology which teachers and children should use day-to-day. Jo-Anne Dooner will take you through these tricky terms, so you feel confident enough to use them, as easy as you would the terms 'multiplication' and 'division' in maths!

7pm: Wednesday 14th May 2014

- The theory underpinning synthetic phonics
• What are the terms a child needs to know?
• Why is this important?
• How to improve teacher to student feedback using precise terminology

Rocketing Reading with Phonics Hero - Katherine Wood

Phonics Hero is a great interactive resource to use to spice up your teaching or to reinforce phonics learning at home. What's more, children love the fun, interactive games!

7pm: Wednesday 28th May 2014

- The logic behind Phonics Hero
• How it complements what's going on in the classroom
• How interactive games will engage the reluctant reader
• Setting up Phonics Hero for home use

Encoding Difficulties and Synthetic Phonics - Shirley Houston

What is going wrong when a child has spelling difficulties? What is the science behind catching-up children in spelling? Learning difficulties specialist, Shirley Houston, explains.

7pm: Wednesday 4th June 2014

- The encoding process
• What can go wrong in the encoding process?
• How to determine students' encoding strategies and skills
• The place of synthetic phonics in encoding instruction
• How to minimise encoding difficulties with effective teaching strategies

Spelling - Jo-Anne Dooner

With words like 'yacht', 'ballet' and 'chemist', English feels like a tricky language. Jo-Anne Dooner will take you through the logic of teaching, and explaining, spelling.

7pm: Wednesday 11th June 2014

- What makes a good speller?
• Spelling and synthetic phonics
• Explaining spelling to children

Guided Reading - Jo-Anne Dooner

The more practice and consolidation you can give, the stronger phonics skills will be. Guided reading is the ideal way to embed phonics skills.

7pm: Wednesday 25th June 2014

- What is guided reading?
• How to use decodable stories
• How to assess during guided reading
