

SYNTHETIC PHONICS TRAINING

With
JUSTIN CABAN

FRIDAY
11TH MARCH
9.30-4.00

Get Reading Right Consultancy
Professional Development Day

"Phonics-once a 'might do', now a 'must do'!"

Tom Alegounarias, NSW Board of Studies

You will learn to:

- To define and understand Synthetic Phonics
- How Synthetic Phonics is an evidence based teaching method
- Phonics terminology and how to use it with your class
- How to plan Synthetic Phonics lessons as part of a program
- How to teach a Synthetic Phonics lesson using different pedagogies such as direct instruction, cooperative learning and individualised learning
- How to differentiate instruction to meet the needs of different students
- How to assess, record and track student achievement

You will walk away with:

- Over 1000 classroom resources
- A draft school scope and sequence
- Over 20 powerpoint presentation lessons to get you started
- Knowledge and confidence to begin to teach your class how to read and spell

Justin Caban

Justin Caban has worked extensively with schools throughout New South Wales improving teacher quality and building effective school structures. His expertise in lesson design and the development of effective pedagogical delivery is a primary focus, supported by a passion for authentic assessment techniques and data analysis. As a teacher, school leader and educational consultant, Justin maintains a consistently high performance in improving student outcomes across the state.
