

Synthetic phonics has proven to be the fastest and most efficient way to teach early reading and spelling. Leading schools right across Australia are seeing their NAPLAN literacy results rocket - due to one simple change - synthetic phonics.

In this series of **free** webinars our team of literacy consultants take you through synthetic phonics; how to get going, best practice and what really works in your classroom – teacher to teacher.

Dyslexia and Synthetic Phonics - Michael Wood

Michael will give you an overview of Dyslexia and its many characteristics. He will explain how a systematic phonics program can give Dyslexic children the sturdy foundation they need.

Parents are more than welcome too!
